Notorious copyright troll, Jonathan Monsarrat, has filed suit against Encyclopedia Dramatica .SE in a petty act of revenge against a .com era page.

### **Goal of Bounty**

Jonathan Monsarrat got arrested for hosting a party where underage teenage kids were drinking alcohol.

([http://archive.boston.com/yourtown/news/somerville/2010/02/somerville\\_artist\\_arrested\\_for.html](http://archive.boston.com/yourtown/news/somerville/2010/02/somerville_artist_arrested_for.html))

Since then, Monsarrat has tried to shut down anyone who talks about the case. Encyclopedia

Dramatica, reported on the arrest. Monsarrat then decided to get creative - he is trying to shut down Encyclopedia Dramatica by claiming that he owns the copyright to some forum posts and to a photo of him, that he didn't take, where someone photoshopped a picture of PedoBear next to him.

If Monsarrat can shut down Encyclopedia Dramatica, any rich asshole with an axe to grind can shut any one of us down for reporting the facts and mocking someone. A grown man throwing a party where underage kids are drinking? Getting a little fun poked at him is probably a fair penalty for that.

Encyclopedia Dramatica is a piece of internet history, but it doesn't run on much of a budget. If Monsarrat succeeds, Encyclopedia Dramatica will need to shut down.

We have retained a First Amendment Attorney to defend us. He's doing it at a discount, but we can't ask him to work for free.

Stop censorship. Please donate and help us keep the lulz coming. Protect the First Amendment.

## Why

To preserve a large piece of internet history, for the many years that Encyclopedia Dramatica has been around, it is crucial that a defense with enough fortitude is brought to court. Without the resources to wage a legal battle with such a wealthy person, Encyclopedia Dramatica may be unable to continue operating.

In the media:

## Requirements

Enough donations of any dollar amount to pay the legal fees required to undergo the judicial process of winning the suit filed against Encyclopedia Dramatica.

I will be donating once my paycheck drops.

Here is why ED needs to be saved:

1. It is satire, even if we are pointing and laughing at a person's shame. It is like laughing at someone who has been pantsed. "Oh no you make me look bad and hurt my widdle fee fees cause I decided to post a video online of me actively humping a rainbow dash plushie." - Basically if you dont want to be ridiculed, dont do shit that gets you ridiculed.

Hey Jason... when you die... no one is going to care... ever. If ED dies... millions will care. That's how you measure up in life Jason... your existence is so superficial, so transient, so inconsequential that a WEBSITE full of satirical articles holds more universal importance than your entire fumbling little existence... think about that. Really, just... really think it over.

Probably because you're a sociopath... I'm just sayin.

Kek thats kinda funny, you accusing someone else of being a sociopath given that triggered comment you posted just before this one.

3 ⤵ | ⤴ • [Reply](#) • [Share](#) ›

**Matthew Moulton** → Lou Stan • 4 months ago

Sorry kiddo, but I didn't create reality, I just verbally bitch slapped you with it. On a personal level I actually feel quite sorry for you kids... I mean I can't even begin to imagine how large that stick up your ass must be, or just how horribly uncomfortable it is to carry it around with you all day long.

I can't empathize of course, not having experienced such "stick up the ass" syndrome myself, but I can sympathize with your terrible plight.

4 ⤵ | ⤴ • [Reply](#) • [Share](#) ›

**Lou Stan** → Matthew Moulton • 4 months ago

"verbally bitched slapped" oh fucking kek check out mr internet tough guy on here. The cringe is real. So you're just confirming you're a triggered sociopath? Good to know. Oh and you certainly sound like you have a stick up your ass which would explain your verbal diarrhoea. Stay mad mr butthurt kek.

You do realize a person like Matthew Moulton isn't going to back down if it means he gets attention like this. You are just encouraging him to try to win. If you just ignore him, likely, he will forget what is going on and leave.

You care so much you believe "Ed needs to die. Period. End of story." even though you can't even spell "ED" correctly.

By your logic, ED should follow their (your) own advise. Don't want shit to happen to you than dont start it. If you don't need than than you are forced to accept your fate you chose for yourselves.

[^](#) [v](#) • [Reply](#) • [Share](#)

**John Steele** → Oni Deus • 4 months ago

The easiest way to deal with you is to keep stressing you out and pissing you off to degrade your health. It's so easy, you get riled up over every single comment so the way I see it, if you are harassed enough, you will develop complications and or pass away from stress induced lifestyle. All you have to do to preserve your health is walk away. I'm not mad at all buddy, in fact I think this is halirious how angry you all are getting. So let's keep pissing you guys off since you contribute nothing to society except another body for people tired of these wannabe tough guys to just take their shit out on.

So if anyone has had a bad day, don't vent to your wife, kids or family. These guys like drama so just vent your day about work to them and clutter this place up. Let's shit here since ED shits everywhere else leaving us very little in the way of clean ground to stand on. So let this be the new garbage dumping site.

Sound like fun my special friend? If you didn't want to be victimized, you shouldn't be throwing stones at others when you have a glass house. By the way since I'm sure your anpart of the #triggered loser generation. So I got you a safety pin and also some diapers for you to put it on. Also there's a care package for you full of midol, Tampax (the fat ones), aromatherapy candles and all that shit for sensitive generations like you. And if you think I care, I don't. I lost my "feelings" when I served my country. So I don't give a shit how anyone feels. I only care about facts, and your upset otherwise you wouldn't be responding.
